

CLEAR | SPACE™

Revolutionize Classroom Safety With ClearSpace™ During Reopening

Introducing ClearSpace™, a revolutionary, patented system to protect students at their desks -- Allows schools to follow CDC guidance & use barriers to reduce the risk of virus transmission.

- SAFE, EASY TO INSTALL/CLEAN/REMOVE
- 3 interlocking acrylic panels that form a secure space around any size desk
- Panels attach directly to the desk with easy-to-use, adjustable, screw-on clamps – panels won't fall down
- All panels have curved edges so they are safe
- Opening between panels for wires
- Includes name plate and custom color edging
- Panels fit standard size desks, but can be customized for any size desk

Price: \$70 per 3-panel system
for standard sized desks
